

AGM of Geothermal Energy Advancement Association Ltd.

Date: Tuesday 17th October

Location: Online

4.00 p.m.

Event by Teams for Founding Members (please find Teams link below)

Welcome from Karl Farrow, GEAA Chairman

Introduction to AGM

Presentation and confirmation of Directors and Officers

Financial statement

Report of GEAA activities to date

Discussion around future, priorities, and focus

Finish 4.45 p.m.

5.00 p.m.

Event by Teams for Founding Members, Global Ambassadors and invited guests
(please find Teams link below)

Welcome from Prof. Kevin Taylor, GEAA President

Presentation by Lance Morrissey, Technical Manager, GeoLogica

Exploring the Geothermal Training Climate: Steaming hot or a little lukewarm!

A 15-minute talk that delves into the world of Geothermal training and what it perhaps reveals about the progress of decarbonising our energy systems.

Presentation by Oliver Sheehan, GMK

Utilizing every opportunity...a perspective from a Turkish geothermal company.

How GMK is looking to utilize every opportunity that is created from the development of this thermal resources, drawing upon a cascade of solutions. Turkiye has the potential be the perfect place to help the geothermal world prove its role as a viable economic renewable resource. Turkiye with its varied climates , spectrum of ambient temperatures and varying thermal gradients, create an opportunity to be the perfect 'test bed', for both conventional and next generation geothermal technologies alike.

Presentation by Charlotte Adams, CEO, National Geothermal Center

Supercharging UK Geothermal through the National Geothermal Centre.

Exploring how the UK can harness geothermal energy as part of its journey towards a low carbon integrated energy system.

Presentation by Charlotte Adams, CEO, National Geothermal Center

6.00 – 6.45 p.m. Q&A

Please see next page for important information for attendees

Important information:

1.- Link to attend the AGM starting 4.00 p.m. UK time

Join on your computer, mobile app or room device

[Click here to join the meeting](#)

Meeting ID: 388 333 567 62

Passcode: c7yaEg

2.- Link to attend the presentations in celebration of World Geothermal Energy Day 2024, starting at 5.00 p.m. UK time.
